

DBF001-10, Limited Edition 33: Flyback Chronograph in Racing Look

Luxury watchmaker DuBois et fils revives memories of the golden age of auto racing

Le Locle, 09 January 2015 – 'The exclusive flyback chronograph DBF001-10, with a limited edition of 33 timepieces, impresses with its striking colour combination, which is a reference to the legendary Gulf racing teams and the golden age of auto racing of the 60s/70s', says Thomas Steinemann, CEO of DuBois et fils. With the timepiece, the Swiss heritage brand has again succeeded in skilfully combining tradition and innovation and stirring great emotions. The DBF001-10 represents the speed and power of racing and brings back memories of the historic days of auto racing. Black, blue and orange, the undisputed colour trend within watch design over the past years, were harmoniously coordinated in the timepiece. The attractive colour combination makes the DBF001-10 a timeless classic and lends it that certain something that constitutes a very special jewellery piece.

The DBF001-10 is waterproof up to 5 ATM and houses an automatic basic calibre 2892-DD44500 from the Swiss factory ETA SA. Supplemented with the Dubois-Dépraz module calibre 44500, the piece has a twin-disc large date and a chronograph mechanism with flyback function and stop times of up to 12 hours. The movement has 49 jewels and a power reserve of 44 hours.

The surface of the round, multi-piece case (41.5 mm) is comprised of matt brushed stainless steel 316L, which creates a nice contrast to the highly polished notched bezel. Beneath the scratch-proof, double-sided anti-reflective-coated sapphire glass is a black/blue and orange dial with guilloché hour circle. The tri-compax layout contains a small seconds counter as well as a 12-hour and 30-minute chronograph function at 3, 6 and 9 o'clock. The shiny frame of the large date display below the noontime, the hand-applied Arabic numerals and the rhodium-plated hour and minute hand are additional noteworthy details of the stylish timepiece.

The dark blue, handcrafted calf leather strap with protective inlays made from rubber and orange stitching elegantly rounds off the striking design.

The DBF001-10 can now be ordered in the DuBois et fils Online Shop (www.duboisfils.ch) and at selected retailers.
